National Meet News - June 11th thru 16th - Detroit Area

We are about a month away from the big event. Looks like it will be a very good turnout. We are expecting 50 cars.

Please fill out the event registration form below and mail back to the club. This will cover the Greenfield Village pre-registration.

We have also purchased liability insurance specifically for the event to cover the club and participants. To cover a portion of that cost, there will be a \$20 fee. Please include that with your registration form. It will also cover a donation we have agreed to make to a local church providing us trailer parking. The club treasury will pick up any remaining shortfall of the insurance expense.

Here is the final event schedule:

Tuesday, June 11th: Arrival day, register, offsite parking for trucks and trailers.

Wednesday, June 12th: Lingenfelter Performance tour, lunch locally, rest of afternoon pending and/or relaxation time.

Thursday, June 13th: Jiffy Mix factory tour in Chelsea in morning. Lunch locally. Then we leave for car show and open house at the Roush Performance Museum in Livonia. The official show hours are 5 to 8 PM, but we need to be there much earlier to set up. This is one of those deals where it fills up early with locals. Food and drink will be available on-site.

Friday, June 14th: Visit Yankee Air Museum, In addition, they will have their B-25 bomber operational for us. Rides are discounted to \$350, normally \$425. This is pricey, but flying a war bird is a bucket list item. The flight experience is approximately 30 minutes in the air. Great Father's Day gift. Do it if you can. We have four people committed. They need a total of five to seven people to fly. We can add an additional group if we fill the first one. You must pre-register for B25 rides for Friday. Call Dave Wright at 734-483-4030 x236 to sign up and pay. It's under Aero & Wing Warriors Car Club. You can't register day of show unless we have one flight booked already. Friday afternoon, we leave for Ypsilanti Depot Town. We will visit the Hudson Museum, and Fire Engine Museum in Ypsilanti along with a cruise.

Saturday and Sunday, June 15th and 16th: Greenfield Village Motor Muster. This is the big event. You get four tickets, and free admission to Greenfield Village and the Henry Ford Museum, a \$300 value. Cars can be placed on-site as early as Friday evening if you wish. Packets will be given out at the show. Please return the registration form below to secure your spot.

Hotel Info: Ann Arbor Holiday Inn Express, 3600 Plymouth Rd. Ann Arbor, MI. Call 734-679-9800. Special rate is \$99.00 per night. Rooms block is under the name (Aero and Wing Warriors). Make your reservations now as the rooms will be released on May 11th.
